

TAKE ACTION

Do you use Metrorail or Metrobus?

If you are one of the 50,000+ Prince Georgians who use Metro daily, let your voice be heard by WMATA.

WMATA is considering eliminating numerous Metro bus lines and may close Metrorail stations.

Service hour reductions or eliminations may impact the following bus lines: A12, B21, B22, B24, B27, F4, G12, F8, P12, R12, T18, V12, and more.

Metrorail services are also facing service hour reductions and potential station closures.

WMATA is hosting 4 public forums across the region to hear from the community about potential service changes.
